

## Main Campus Operating Room (OR)/Procedure Room-Miller Plaza Non-SOC

There are 3 separate charges (Anesthesia, PACU Recovery and OR time).  
There may also be a need for an anesthesia consult (separate fee)

PBC stands for a provider based clinic (outpatient hospital department) HB are hospital charges.

Fees are based off the procedure code

- Confirm procedure code thru Principle Investigator, Request from P.I. if there are pre/post medications that are routinely given to patients. (I.e. Aspirin, antibiotics...) that may present a patient charge.
- Kim Jewell-Can provide research prices for professional and hospital codes. She can be reached at 336-713-4959
- Kim will need to know if Federal (government)/Non-federal (private)

### **1) Main Campus Operating Room**

- O.R. fees are based on procedure code for professional and O.R. time for hospital
- AND Operating Room time is based on time slots (example-.5-1 hour)
- Physician's fee are based on procedure code

### **2) Anesthesiology**

No fee difference for anesthesia charges between Main Campus and Miller Plaza procedure

- Operating Room anesthesia charges are based off Anesthesia time per unit
- Per units which is in 15 min increments.
- Professional anesthesia fees (anesthesiologist) are based on procedure

### **Anesthesia Charge-Per Procedure:**

Needed:

- Anesthesia Hospital charge code
- Physician Anesthesia CPT
- They can assist with normal dosing units per procedure

The anesthesia charges are calculated based on the procedure code plus time for the Hospital Anesthesia facility charge as well as the Anesthesia Professional charge.

**Hospital Charge Code:** Priced off procedure code

**Physician Anesthesia Charge:** Billed for 5 base units and estimated 5 time units (varies by patient) with estimated total 10 units.

- Research rate provided by Kim Jewell
